MEMORANDUM FOR: Director of Central Intelligence

VIA : Deputy Director (Plans)

SUBJECT : Changes to the CIA Global War Plan for Clandestine Operations

REFERENCES : A. CIA Global War Plan for Clandestine Operations, dated 2 August 1957

B. Command Relationships Between the CIA Organization and the Armed Forces in Active Theaters of War Where American Forces are Engaged, dated 27 August 1957

1. This memorandum contains a recommendation for DCI approval. The recommendation is contained in paragraph 3.

2. The publication of a revised "Command Relationships Between the CIA Organization and the Armed Forces in Active Theaters of War Where American Forces are Engaged" on 27 August 1957 requires three changes in the CIA Global War Plan for Clandestine Operations. Specific wording of each change is shown on a stapled insert in Reference A. These are minor adjustments required to make our CIA plan conform accurately.

a. Paragraph 5. a. of the new Command Relationships paper (Reference B) states that the entire force assigned by DCI to a military theater commander will be the "CIA Force", and this Force will accomplish unconventional warfare, clandestine intelligence, and psychological warfare missions and other appropriate missions in support of military operations. Consequently, paragraph 2 a (3) (c) on page 6 of the Global War Plan should be revised as follows: ". . . the CIA Commander will be responsible for the command and support of all CIA Clandestine Services personnel within a military theater."

b. Paragraph 2 c (3) at the top of page 14 of the Global War Plan contains a quotation from the old Command Relationships Paper. The revised paper contains the same idea except that again it is broadened to include all CIA operations, thus making the quotation in the Global War Plan inaccurate.

c. Paragraph 7 of Tab B on page 30 of the Global War Plan is a synopsis of the old Command Relationships Paper. This should be changed as follows:

(1) The date of publication of the revised paper should be shown.

(2) The term "UW" should be broadened to "Agency activities" in keeping with the revised paper.

(3) The last two sentences should now be deleted since the revised paper does cover espionage and counterespionage.

(4) A reference to the revised paper, to be published as a part of the Global War Plan, should be included.

3. It is recommended that the above changes to the CIA Global War Plan for Clandestine Operations be approved.
